All About this Project

This Project aims to eradicate hunger from State Of Rajasthan.

In this Software we will collect money as a donation from common individual and at every weekend

We will use **50%** of the collected amount to all the people suffering from hungriness.

 40% will be used to distribute food coupons to all the people who have given donation

10% will be used in the operational cost of the organisation

Through this platform We wish to increase the number of people who donates for someone in need.

We wish to attract them by favouring them food coupons redeemable at various food delivery apps.
